NATURE

THIS BEAUTIFULL NATURE

THAT GIVE US AIR AND THE FOOD

BUT THE SELFISH MOTIVE OF HUMAN BEING

IS DESTROYING THIS BEAUTIFULL NATURE

EVEN THOUGH IT IS OUR LIFE PROTECTING

FRIEND WHO NEVER LIVE US ALONE

AFTER ALL SUFFERING FROM THIS MUCH PAIN

EVEN I WOULD ALSO BE ANGRY AND GO AWAY

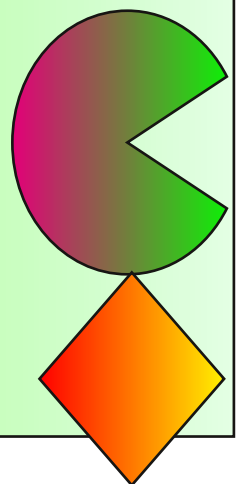

BUT THIS STUPID NATURE WHO ALWAYS

STAND FOR US BUT WHY?

BECAUSE WE ALL ARE CHILDREN OF

THIS MOTHER NATURE

MAGIC OF MOTHER NATURE

Nature is god to us

sunrise is a beautiful veiw in nature

All people are pleasure by seeing sunrise

Sunrise is colourfull to see

Make us happy by hearing

Birds sweet sound

Make us pleasure by seeing blossom

flower

Butterflies are drinking honey from

flowers

THE BEAUTY OF FLOWER

The beauty of flower makes the nature shine. The smell of flower is a natural fragrance which make everyone happy. Every single flower is a god's amazing creations. There are different kinds of flowers but the most common feture is they are beautiful. And without flower any functions won't go ahead. There is no one who dislikes the flower. everyone use it for many purposes like marrige, house warming, baby shower,etc. Many of them use it as a gift. Flower's are the precious gift from the god. So flower, flower, flower is beautiful word which everyone likes it.....

NATURE

God has given us a beautiful nature . He had created many precious things in this nature such as plants , trees, animals , and humans . But the humans are destroying it . By the activities like building companies ,cutting trees to make furniture etc. First we have to remember that without nature there is no humans.

When we hurt the nature more the nature will decide to destroy us. There is a fact that " IF WE CUT ONE TREE WE HAVE TO PLANT A HUNDREAD TREES". Many humans are trying to destroy it but some are there who saving it .

We must care the nature has a child if we care it would care us at the future. NATURE IS A VERY IMPORTANT THING IN THIS WORLD .

A Great Power Called "EDUCATION"

Education is the pathway for a nation progress. Education is the back bone of society. The government should take all measures to provide education to every individual of the country. This will bring equality among people and when people improvise their way of living, they responsible towards society.

Education is a power which many don't have. It shows pathway for one's future. The who have it the lucky one. Every human need to be educated. Those who has no ability to be educated, the government should provide them free education. One can create a beautiful life with it. The one who use it, is the smartest

Dont judge a book by its cover

Once upon a time in the village called nilagiri there lived a man who looks like a dangerous person. He is also a teacher. All of the students and villagers afraid of him. Because of his nature .

One day in the school , a boy was injured during his PT period. No one notices him. after some time raman saw it. and ran to him. But boy said" dont come near to me.Iam afraid of you ". But raman didnt cared it and put him to his car and went to the hospital.

after this incident everyone started to like him.
